Harris Manchester College

Harris Manchester College is ideally placed in a beautiful quiet corner of Oxford and a fantastic spot for weddings. We have a magnificent chapel that can seat 140 and boasts the famous William Morris-stained glass windows. Our traditional, baronial style dining hall is perfect for formal and informal dining and seats comfortably circa 100 people. The quads provide a lovely intimate space for receptions and are a beautiful back drop for romantic wedding photographs.

Our dedicated events team will be involved throughout the planning process to ensure we deliver the most enjoyable and memorable wedding. We begin by discussing your ideas for the day, as each event is individual in both design and budget, and we want to make sure we accommodate all your requirements.

Harris Manchester hosts several weddings each year along with other celebratory events. We are a small and welcoming college and pride ourselves on being able to support and cater for same-sex weddings.

For services in the Chapel, and receptions in the college, please contact Nick Jefferies to make an initial enquiry at nick.jefferies@hmc.ox.ac.uk
