4. The outgoing Principal shall not attend the Special Meeting or any other meeting of the Governing Body or of any committee of the Governing Body convened for the purpose of selecting his/her successor, and shall not take part in any formal aspect of the selection process, but may be consulted and kept informed.

5. The only business on the Agenda of the Special Meeting shall be the appointment of a Principal under Statute III.2-4 and matters directly relating to or arising from it.

6. The Special Meeting shall first establish who is to be the Presiding Fellow for the purposes of electing a new Principal. The duties of the Presiding Fellow shall be to summon and chair all Special Meetings of Governing Body and of any committee of the Governing Body relating to the selection of the new Principal. The Presiding Fellow shall be either:
   (i) The Senior Fellow in residence as defined in Statute IV.10; or
   (ii) In the event that the Senior Fellow in residence as stipulated in (i) above is either a candidate for the office of Principal or is otherwise unable or unwilling to act as Presiding Fellow, the Presiding Fellow shall be the next most senior Fellow who is able and willing to act in that capacity.

7. The Special Meeting shall establish a timetable for appointing a Principal. This will typically include:
   (i) the drawing up of a job specification;
   (ii) the placing of advertisements;
   (iii) the closing date for applications;
   (iv) the date of an initial meeting to discuss candidates;
   (v) visits by candidates;

   The Special Meeting shall also establish the procedure to be followed, including, if desired, the setting up of a Search Committee to carry out such parts of the work as are agreed by Governing Body, save that any job description for the new Principal must be agreed by a Special Meeting of the Governing Body as a whole and that all members of the Governing Body should be given a reasonable opportunity to meet the candidates prior to the holding of any election. Any Search Committee shall comprise the Presiding Fellow (as Chair) and at
least two other members of the Governing Body, appointed by ordinary resolution of the
Governing Body.

8. The Special Meeting shall be adjourned from time to time as may be necessary, and at an
adjourned meeting normally not later than the eighth week of the third complete Term
following the date of the first meeting voting shall take place on the candidates who have
been formally proposed and seconded. At least four weeks’ notice of this meeting shall be
given to all Fellows.

9. The method of election shall be by secret ballot using the following voting system –

On the day appointed the Governing Body shall meet in the College. The voting shall be by
secret ballot. The votes shall be given in writing to the two Senior Fellows present who are
not the Chair of the meeting, and that person in whose favour an absolute majority of those
present and voting shall have voted shall be declared to be the successful candidate. If no
person voted for has such an absolute majority, the voting shall be repeated until some person
obtains an absolute majority; except that where the votes of the electors are divided equally
between two persons the meeting shall thereupon be adjourned; and if at the resumed meeting
the votes are again so divided, the Presiding Fellow shall have a casting vote.

10. The meeting for the election of the Principal may be adjourned from time to time by a
vote of the majority of those present and voting. Where such a meeting is adjourned for more
than forty-eight hours, at least twenty-four hours’ notice of the resumption of such adjourned
meeting shall be sent to every member of the Governing Body entitled to be present at such
meeting.

11. At any time during the meeting for the election of the Principal a motion may be proposed
and seconded to the effect that the candidate receiving the fewest votes in the next round of
the ballot shall be eliminated from all subsequent rounds of voting. The motion may be passed
by a simple majority and in the event of a tie the Chair of the meeting shall have a casting
vote.

12. On the determination of the successful candidate under the voting procedure, a Motion
shall be put from the Chair that this candidate shall be elected as Principal. This Motion shall
be deemed to be passed if supported by the majority stipulated in the Statutes of those present
and voting in a secret ballot. That candidate will then have been elected to the office of
Principal.

13. If there is no successful candidate under the voting procedure, or if the Motion to elect the
candidate who is the successful candidate under the voting procedure is not passed by the
requisite majority, the Meeting shall be immediately adjourned. It shall reconvene in not less
than forty-eight hours, and the process of voting shall be repeated.

14. If a Motion under 12 above is not passed at the adjourned Meeting, the election process
will be deemed to have failed and Governing Body will immediately determine a timetable
for the consideration of further candidates.

15. If no election has been made within 12 months of the office falling vacant the
appointment of a Principal shall lapse to the Visitor in accordance with Statute III.4.
Term of Office
16. The initial term of office of the new Principal shall be as determined by the Governing Body, who shall also determine whether the term is renewable. Governing Body may determine this at the beginning of the election process contemplated in clauses 1-15 above, so that notice of the proposed initial term of office can be given to potential candidates and included in any advertisements.

17. Not less than one year prior to the expiry of the Principal’s initial or (in a case in which a term has been renewed) subsequent term of office, the Senior Member of the Governing Body in residence (as defined by Statute IV.10) shall summon a Special Meeting of Governing Body to consider whether the Principal’s term of office should be renewed.

18. The Principal shall not attend the Special Meeting or any other meeting of the Governing Body or of any committee of the Governing Body convened for the purpose of considering a renewal to his or her term of office, other than by invitation of the Presiding Fellow.

19. The only business on the Agenda of the Special Meeting provided for in clause 17 shall be the extension of the Principal’s term of office and matters directly relating to or arising from it.

20. The Special Meeting shall first establish who is to be the Presiding Fellow for the purposes of considering the renewal or otherwise of the Principal’s term of office. The duties of the Presiding Fellow shall be to summon and chair all Special Meetings of Governing Body and of any committee of the Governing Body relating to the renewal or otherwise of the Principal’s term of office. The Presiding Fellow shall be as defined in Paragraph 6 above. The Special Meeting shall also establish the procedure to be followed.

21. The Special Meeting shall be adjourned from time to time as may be necessary. In particular the Special Meeting shall be adjourned if a motion is proposed, seconded and passed by a simple majority to the effect that the Principal be allowed to make representations to Governing Body on why he or she should be given another term. Where such a meeting is adjourned for more than forty-eight hours, at least twenty-four hours’ notice of the resumption of such adjourned meeting shall be sent to every member of the Governing Body entitled to be present at such meeting.

22. On the day appointed (which may the same occasion as the Special Meeting that establishes the identity of the Presiding Fellow and the procedure to be followed) the Governing Body shall meet in the College. The voting shall be by secret ballot. The votes shall be given in writing to the two Senior Fellows present who are not the Chair of the meeting. The meeting will determine whether the Governing Body wishes to renew the Principal’s term of office and if so for how long and whether the renewed term is itself renewable. A motion either to renew or not renew the Principal’s term of office must be passed by a simple majority of those present and voting; except that where the votes of the electors are divided equally between two persons the meeting shall thereupon be adjourned; and if at the resumed meeting the votes are again so divided, the Presiding Fellow shall have a casting vote. The quorum for a Special Meeting to determine a renewal of the Principal’s term of office shall be the same as that for electing a Principal.

23. The procedure outlined in paragraphs 17 to 22 above shall be employed each time the Principal’s term of office would need to be renewed for the Principal to remain in office,
provided the current term is expressed to be renewable and unless the Principal has declared an intention (to either the Senior Fellow in residence or the Governing Body as a whole) to quit his or her office at or before the end of his or her current term.

**Definitions**

24. ‘Quorum’ denotes the number of members of Governing Body who must be physically present at a meeting for a vote to be taken on any business apart for arrangements for an adjournment.

25. ‘Present and voting’ refers to those members present at a meeting who cast a vote for or against a particular motion or for or against one or more candidates; the number ‘present and voting’ does not include abstentions.
XIII: ELECTION OF VISITOR

1. The procedure for electing a new Visitor are set out in Statute II. This Byelaw fulfills the requirement in Section 5 of that statute for a Byelaw to stipulate “the procedures to be adopted for the obtaining of the requisite majority if such shall fail to emerge on the first voting.”

2. As stipulated in Statute II.4 the requisite majority for the election of a Visitor shall be two-thirds of those present and voting (unless the Statute be amended to require some other majority, in which case the majority stipulated in the amended Statute shall apply). The phrase “those present and voting” shall be taken to exclude abstentions but to include votes against all the candidates (registered in the ballot by a “none of the above” or NOTA option).

3. If there are three or more candidates for the position of Visitor, and none has secured the requisite majority after the first round of voting, then after each round of voting the candidate with the fewest votes shall be dropped from the ballot and the voting repeated until either one candidate obtains the requisite majority or a vote between the remaining two candidates has failed to secure a two thirds majority for either of them. In the event of a tie for the fewest votes when three or more candidates remain, the Chair of the meeting shall exercise a casting vote to decide which candidate to drop for the next round.

4. If the first round of voting between the two remaining candidates fails to secure the requisite majority for either of them, there shall be a second round of voting between the same two candidates (after further discussion if desired).

5. If the second round of voting between the two remaining candidates fails to secure the requisite majority for either of them, the Chair of the meeting shall propose a motion to elect the candidate with the greater number of votes as the new Visitor (after any further discussion which may be desired). In the event of a tie between the two candidates the Chair shall exercise a casting vote to decide which of the two candidates to propose. If the motion is passed with the requisite majority, the candidate in question shall then be deemed to have been elected as Visitor. If the motion is not passed with the requisite majority the Chair may then propose a motion to elect the other candidate, who shall then be elected if the motion secures the requisite majority.

6. If the procedures laid down in Paragraph 5 fail to secure a successful election, the meeting shall then vote on whether (a) to adjourn the meeting to a later date to make a second attempt to secure the requisite majority for one of the two remaining candidates or (b) to reopen the nominations for the post of Visitor and adjourn the meeting to hold an election between the fresh set of candidates. This vote shall be determined by simple majority with the Chair of the meeting exercising a casting vote in the event of a tie.

7. The voting at any adjourned meeting shall follow the same procedures as before, except that in the event of a failure of an adjourned meeting voting between the same candidates as the preceding meeting to secure the requisite majority for either candidate the meeting shall then vote on whether (a) to elect the candidate who has secured the greater number of votes or (b) to reopen the nominations for the post of Visitor. This vote shall be determined by simple majority with the Chair of the meeting exercising a casting vote in the event of a tie.

8. All voting shall be by secret ballot, with the ballots handed to the Chair of the meeting (as stipulated in Statute II.4). The Chair may appoint one or more tellers from among those present at the meeting to assist with the count.
9. The Chair of any meeting to elect a Visitor shall normally be the Principal. In the event that the Principal is unavoidably absent when the meeting has to take place, the meeting will be chaired by the Vice-Principal or, in his or her absence, the next most senior Fellow available.

10. The term of office of the Visitor shall be as determined by the Governing Body, who shall also determine whether the term is renewable.
